### **To Play:**

There are 24 attack waves which get progressively more difficult. At wave 13 you enter the Advanced level. At wave 19 you enter the Champion Challenge.e. And at wave 22 you must endure the Termination Attack.

The Player starts with 10 ships and at the end of each wave he/she is awarded bonus points and an extra ship. As a bonus you also receive 3 ships upon entering the Advanced level. Occasionally a SEEKER will appear and home in on you, rather than the city.

Points are scored for shooting down various aliens. The player's score is displayed at the top of the screen along with the current wave number and the player's remaining ships. High score is displayed at the bottom of the
